**Re: Proposal For LIDAR Processing to Support the Tracy Lakes Groundwater Recharge Project**

Mr. Sadler:

Thank you for considering Kjeldsen, Sinnock & Neudeck, Inc. (KSN) as the provider of LIDAR processing services in support of the Tracy Lakes Groundwater Recharge Project. KSN will process available DWR LIDAR data to produce a digital terrain model of the Tracy Lakes Project Area. We can complete this task for a not-to-exceed fee of \$3,500.00 based on our 2013 Non-Prevailing Wage fee schedule.

KSN appreciates this opportunity to submit this proposal and we look forward to working with you on this project.

Sincerely,  
KJELDSSEN, SINNOCK & NEUDECK, INC.
